

CH. GRAFMAR'S JUPITER, UDT

SIRE: Grafmar's Silver Knight, CD

DAM: Aurav. Gaiberg, CD, BROM

DOB: 11/1/1941

“Jupe” was the first UD Weimaraner (and UDT also). Margaret Horn describes him as “excessively protective, eager, brilliantly intelligent, spirited and bold.”

Weimaraner field trials did not occur until Jupiter was past his prime. However, he passed the above traits on to some of the more outstanding field dogs of the next few generations. Among others, he sired Ch. Decker's Misty Marvel, Ch. Grafmar's Dilly Dally, and FC Bitzu von Basha, Ch Debar's Platinum Specter and Ch. Count von Houghton.
