DOB: 9/6/66

Saga was a:

National Field Champion, National Amateur Field Champion, Dual Champion, Amateur Field Champion, Master Hunter, Field Registry of Merit producer

He has sired:

1 National Field Champion, 1 Dual Champion, 6 Field Champions, 2 Amateur Field Champions, 2 Master Hunters, 5 Bench Champions

Virginia Alexander saw Saga's potential right from the start and encouraged Jeff & Mary Brown to pick Saga. Early in his field career Saga and his littermates won all 4 placements in the 1998 Western Field Futurity, a feat seldom accomplished in any Futurity. Saga's eagerness to please made him a standout for field trainer Steve Reynolds and he easily finished his Field Championship.

At the 50th running of the WCA National Field Trial, Saga's beautiful, stylish performance was rewarded with a National Field Championship. Yielding to persuasion from Gordon Hansen, Saga was sent to compete in the show ring. Sandy West was thrilled to guide a National Field Champion to a bench championship, again, a feat seldom accomplished.

Back to the field, Saga went on to earn a National Amateur Field Championship with a brilliant performance guided by his best friend, owner Mary Brown. Saga was a prolific sire, including siring a Dual Champion daughter who was also a National Field Champion. In his spare time Saga was also a therapy dog. Saga's abundance of enthusiasm and willingness to please made him truly unforgettable and a joy to have known.
