FOUNDATION MEMBERS OF THE HALL OF FAME

During the initial three years of the Hall of Fame, two dogs were elected for each ten year category in the history of our breed. This includes Weimaraners that made their contribution during the 1940's, 1950's, 1960's, 1970's and 1980's. The committee determined into which ten year category the nomination fell. The regular nomination procedure was followed.

At the end of the three years the maximum number of 30 dogs (10 per year) were elected to the Hall of Fame.

In the fourth year the categories were dropped and only two dogs per year can be inducted as per the procedures outlined in these guidelines.
